2024 SUMMER SESSION – REFUND SCHEDULES

To determine your fee adjustments or reversals, review the applicable circumstances in each of the following four categories:

Category 1A: Academic Fees – Program Fees (Fees charged as a single rate)		
If you cancel your registration for the session, Program fees are reversed in accordance with this schedule, using the registration cancellation date recorded on ACORN. Cancellation of registration only occurs when all courses are cancelled. If any courses with a final standing remain on the record for the academic session– a final mark, CR/NCR, LWD, or WDR – a student will not be eligible to cancel the registration for that session, and thus will not be eligible to have the program fee charges reduced.		
Program Charge Reversed	Recorded Date of Cancellation	Note 1: If you cancel your last course and your registration in the session a <u>minimum charge of \$329.00</u> will be charged to students who cancel their registration in a program (degree or non-degree program) on or after the published date for the first day of classes.
