2026-2027 FALL-WINTER SESSION REFUND SCHEDULES
FACULTY OF ARTS AND SCIENCE (St. George Campus)

All Arts & Science students are expected to familiarize themselves with how their tuition is assessed, fee payment deadlines, academic drop dates and refund policies and deadlines. Being unaware of an academic, payment or refund deadline is not a typical reason to request an exception or extension.

You can view your invoice on ACORN to see if you are currently being billed the program fee or per-course fees. To understand the difference between program fee and per-course fees, please review the Faculty's Fee and Refund webpage under "Fees Calculation and Assessment." Students who have questions about tuition fee assessments and/or payment or refund deadlines should consult with their College Registrar's Office.

Please click on the category that applies to you to view your refund schedule.

The Faculty of Arts & Science Program Fee assesses a single fee for Fall-Winter full-time studies. Within the envelope of a Program Fee course load (4.0-6.0 Credits), students may add and cancel courses without generating either further charges or refunds for individual enrolment transactions. If you are appropriately assessed a Program Fee, a refund is generated only by completely withdrawing from studies by the deadlines, as explained below.

If you cancel your registration for the session, Program Fees are reversed in accordance with this schedule, using the registration cancellation date recorded on ACORN. Cancellation of registration only occurs when all courses are cancelled. If any courses remain on your record for the academic session– a final mark, CR/NCR, P/FL, or LWD – you will not be able to cancel the registration for that session and are not eligible for any refund of the Program Fee. **The only exception occurs if you finish (with a grade, CR/NCR, P/F, or LWD) 3.5 Credits or fewer in the Fall Term and cancel all of your Y and S section courses on or before the 50% refund deadline in January – see Note 2: *Exception* for more information.**

<tr><td rowspan="2">Note 2</td><td rowspan="2">Immediately after the 100% refund period in September (the last day to add F and Y courses) your F and Y course enrolments for the year will be counted and ‘frozen’ for the purposes of the Program Fee.
