UNIVERSITY OF TORONTO MISSISSAUGA
2026 – 2027 FALL - WINTER SESSION – REFUND SCHEDULES

To determine your fee adjustments or reversals, review the applicable circumstances in each of the following four categories:

Category 1A: Academic Fees – Course Fees *(Fees charged for each course)*

If you cancel a course, the course fee is adjusted or reversed in accordance with this schedule, using the course cancellation date recorded on ACORN. If you cancel your registration for the session, there are additional financial implications (see Note 1).

Note 2: This refund schedule applies to courses offered on any U of T campus.

Note 3: The last date to cancel a course or registration with no academic penalty is not the same as the last date to be eligible for a refund.

Category 1B: Academic Fees – Subject POSt Program Fees *(Fees charged as a single rate)* Commerce Specialist – Year 2 or Higher

The University of Toronto Mississauga Program Fee assesses a single fee for Fall-Winter full-time studies. Within the envelope of a full-time course load (3.0-6.0 credits), students under the Program Fee may add and cancel courses without generating either further charges or refunds for individual enrolment transactions. If you are appropriately assessed a Program Fee, a refund is generated only by completely withdrawing from studies by the deadlines, as explained below.

If you cancel your registration for the session, Program fees are reversed in accordance with this schedule, using the registration cancellation date recorded on ACORN. **Cancellation of registration only occurs when all courses are cancelled. If any courses with a final standing remain on the record for the academic session– a final mark, CR/NCR, P/FL– a student will not be eligible to cancel the registration for that session, and thus will not be eligible to have the program fee charges reduced.**

Note 2: **Programs that are charged a program fee for full-time studies and course fees for part-time studies.** Students who drop their course load to fewer than 3.0 credits (Part-time) in the Fall-Winter session during the 50% refund period will have 50% of the Full-time program fee reversed, and will also be charged 50% of the program per-course fees charged according to the students' credit weight for the Fall-Winter session. No incidental fee adjustment is made.

Note 3: The last date to cancel a course or registration with no academic penalty is not the same as the last date to be eligible for a refund.
